SEE: FORMS CATALOG

SUBJECT:

REFERENCE:

Attached is the July 1979 edition of the Department of Social Services County Forms Catalog. The catalog now includes all forms available to the counties and local adoption agencies that originate from the reorganized Department of Social Services.

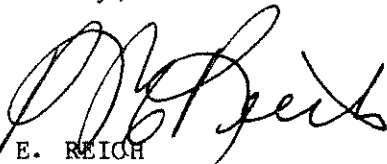

The catalog has a new feature: a listing of program units responsible for the development of each form. Counties can use this list to make suggestions on improvements to forms, ask questions concerning the use of forms, and request county modifications to state forms.

As stated in All-County Information Notice 79-48, DSS will refrain from charging for forms during the current buy out of administrative expenses. However, we will continue to publish and update prices, for your use in future budgeting.

Agencies should begin using this updated catalog immediately. Questions concerning the distribution process or requests for additional catalogs should be directed to:
